

## AGER AGENA COMPACT SERIES

AG-AC12U6045S1-CBAA-A-D1

**AGER** Agena Compact series wall mounted cabinets; They are cabinets that meet medium-sized network installation needs. According to the equipment to be used, the mounting of the device can be adjusted in the depth of the cabinet. Thanks to its wall-mountable apparatus and panel structure, its functionality increases and it creates great solutions in small spaces. In addition to its technical and robust structure, it has an aesthetic appearance with its decorative metal frame.
