

Technical Specifications

Data communication connection box copper (twisted pair)

Assembly	Basic unit with full cover plate	Width of device	86 mm
Outlet direction	Straight	Flush-mounted installation	No
Category	6	With terminal resistor	No
Mounting method shielding connection	None	Separate earthing connection	No
Type of fastening	Screwing	Shielded connections	No
Type of connector	RJ45 8(8)	With buses/couplings	Yes
Degree of protection (IP rating)	IP20	Separate strain relief	No
RAL number	0	Design suitable	No
Number of module spaces (modular system)	-	Floor box/sub-floor mounted	No
Height of device	86 mm	With dust cover	Yes
Number of outlets/connections	2	Surface mounted	Yes
Depth of device	43 mm	Colour coding	Yes
Duct installation	No	With label space	No
Shielded housing	No	Mechanical coding	No
