

SPECIFICATIONS

DeskSpool™ Pro | Retractable Ethernet cable connection point for HSIA guestroom connectivity.

The DeskSpool™ Pro connection kit provides a complete in-room solution in a single box, making installation quick and easy. Each DeskSpool™ connection kit includes the connection point, cable, branding label, theft deterrent mounting pad and instruction card with holder. TeleAdapt HSIA connection kits take the guess work out of purchasing, inventory and installation for both hotels and service providers.

TeleAdapt Part No:
TA-7000

- Creates recognizable access point for HSIA.
- ThinLine RJ45 CAT 1.8M retractable cable for a secure high-speed and reliable connection.
- Helps increase your daily internet take rates.
- Solves cable management issues by eliminating cable clutter and lost Ethernet cables.

SPECIFICATIONS

DeskSpool™ Pro | Retractable Ethernet cable connection point for HSIA guestroom connectivity.

DeskSpool™ Pro

The DeskSpool™ Pro is a compelling product for the hotelier, service provider, installer and end user. It reduces the need for your guests to carry extra Ethernet cables and minimizes connection support calls to hotel IT staff. The retractable 1.8M Ethernet cable reduces clutter and helps eliminate lost or stolen cables. To minimize theft, the rear RJ45 socket is recessed. This makes removal of the DeskSpool™ Pro from the property internet infrastructure very difficult.

Features and Benefits

- Creates a recognizable access point for HSIA.
- ThinLine RJ45 CAT 1.8M retractable cable for a secure high-speed and reliable connection.
- Helps increase your daily internet take rates.
- Solves cable management issues by eliminating cable clutter and lost Ethernet cables.

DeskCard - Advertise your HSIA Amenity

The DeskCard instruction card holder can be used to advertise and showcase property amenities, seasonal travel specials, or display HSIA Wi-Fi and Ethernet guest login instructions. The DeskCard is made of high quality acrylic and fits into the rear DeskSpool™ Pro card holder slot.

DeskPlate Foam Adhesive Security Plate

The DeskPlate is an easy-to-install custom designed base plate which secures the DeskSpool™ Pro to the desk. It is available in double-stick foam padding. The DeskPlate makes removal of the DeskSpool™ Pro very difficult without the use of tools.

DeviceSafe CAT5 Security Cable

DeviceSafe CAT5 cable help deter theft by making the removal of the DeskSpool™ Pro very difficult. The device end of the Device Safe cable is specially molded to prevent the DeskSpool™ Pro from being unplugged by hand, and the wall socket end contains a flush mount RJ45 clip.
