

HP EliteDisplay E324q 31.5-inch QHD Monitor

A surprisingly thin Quad HD display big enough for every task

Astound your open office with the mammoth HP EliteDisplay E324q 31.5-inch QHD Monitor that has plenty of screen space without overwhelming your desk. Get broad device compatibility with ports that include USB-C™¹ for easy pairing with a range of HP PCs.

Put all your projects onscreen

- Display more of your data at the same time in Quad HD 2560 x 1440 resolution on a massive 31.5" diagonal screen. No more toggling between open windows or paging up and down. And the stunningly thin design enhances your modern aesthetic.

Comfortable from every angle

- Minimize your line-of-sight disruptions and see more of your screen with the 3-sided micro-edge bezel. Find your sweet spot with adjustable tilt, height, and swivel settings. Customize portrait or landscape views with built-in pivot rotation.

Save precious workspace

- Streamline your desk by installing your HP Desktop Mini, HP Chromebox or select HP Thin Client² behind the screen, directly on the column stand.

Featuring

- Easily integrate the display into your multi-generational IT environment with ports that include USB-C™ with DisplayPort™ Alt Mode, DisplayPort™, HDMI, and USB.
- Filter blue light emission and shift colors to a warmer spectrum for more comfortable viewing with HP Low Blue Light mode.
- Free up valuable desk space with mounting options enabled by the 100-mm VESA pattern.
- Customize a total solution with options⁴ designed for your display, like the HP S101 Speaker Bar, which attaches easily to the lower bezel to add stereo audio without the desktop clutter.
- Energy efficiency is built into every ENERGY STAR® and TCO Edge certified, EPEAT® Silver registered, and low halogen display. We go one step further with 100% recyclable packaging.
- Manage your display and make it work for you. HP Display Assistant allows you to quickly resize screen partitions so you can work in separate regions of the screen and helps deter theft by dimming a display that's disconnected without approval.
- Rest assured that your IT investment has a three-year lifecycle and is supported with our three-year standard limited warranty. To extend your protection, select an optional HP Care service.

HP EliteDisplay E324q 31.5-inch QHD Monitor Specifications Table
